

Happy Winter Everyone! Thank you for your ongoing commitment to Encore and your understanding in dealing with illness (both of staff and students) and extra commitments with exams and the Eisteddfod. The COVID times mean that we really need to look after ourselves and those around us and I know that our Encore family have done just that.

Encore's Covid plan includes to continue wearing masks and using our larger rooms for higher risk lessons. Encore will continue not to charge for missed lessons if the student is unwell.

We have a few opportunities to share music over the next month. Encore will not be undertaking a musical or large-scale show again this year. We feel that it is just one challenge that is too big! We are looking forward to performing in the Eisteddfod and the end of term concert.
